

Employee Self-Service Direct Deposit Instructions

I understand that under compliance with guidelines set by the Office of Foreign Assets Control (OFAC), I must notify Payroll if I electronically transfer funds received via payroll direct deposit to another financial institution outside the U.S.

Add a First Bank for Direct Deposit

You will need your bank routing number and account number. This information is usually found along the [bottom of your personal check or deposit slip](#). You can also contact your bank for this information.

1. Login to [Web4U](#) and go to the **Employee** tab
2. Select **"Pay Information"**
3. Select **"Direct Deposit Enrollment"**
4. Click on **"Add New Direct Deposit"**
5. Go down to **"Add Allocation"** and enter the following information
 - [Bank Routing Number](#) (contact Payroll Services at 360-650-2991 if not accepted)
 - [Account Number](#) (NOT your debit or credit card number)
 - Select Account Type: **Checking** or **Saving**
 - Enter a set amount or a percent (must be **100 Percent** if you will only use 1 bank account)
 - Check **Payroll Deposit** and **Accounts Payable Deposit** if you wish to use the same account for both (note: your Accounts Payable account is used for reimbursements such as travel expenses)

* - indicates a required field.

Add Allocation:

Bank Routing Number: *	<input type="text" value="325070760"/>	<input type="text" value="JPMorgan Chase Bank"/>
Account Number: *	<input type="text" value="123456789"/>	
Account Type:	<input type="text" value="Checking"/>	
Amount or Percent:	<input type="text" value="100"/>	<input type="text" value="Percent"/>
Payroll Deposit:	<input checked="" type="checkbox"/>	
Accounts Payable Deposit:	<input checked="" type="checkbox"/>	

6. Click "Save"

7. If it was successful, a green check mark will appear at the top

 The new allocation has been saved successfully.

8. If not, read the error message and fix as necessary

Add a Second Bank for Direct Deposit

If you add a 2nd bank, your first bank must be set up with either a set amount or a percentage less than 100 (see [Change Bank](#) instructions below to change 1st bank). You will need your bank routing number and account number. This information is usually found along the [bottom of your personal check or deposit slip](#). You can also contact your bank for this information.

1. Login to [Web4U](#) and go to the **Employee** tab
2. Select **“Pay Information”**
3. Select **“Direct Deposit Enrollment”**
4. Click on **“Update Direct Deposit Allocation”**
5. Go down to **“Add Allocation”** and enter the following information
 - [Bank Routing Number](#) (contact Payroll Services at 360-650-2991 if not accepted)
 - [Account Number](#) (NOT your debit or credit card number)
 - Select Account Type: **Checking** or **Saving**
 - Put a checkbox in **Remaining Amount** to have the remainder of your paycheck deposited to your 2nd bank account after the requested amount is deposited into your 1st bank account
 - Put a checkbox in **Payroll Deposit**
 - If your first bank is already listed under **Accounts Payable Deposit**, do not check this box; you can only have one bank under Account Payable Deposit

* - indicates a required field.

Add Allocation:

Bank Routing Number: *	<input type="text" value="325070760"/>	<input type="text" value="JPMorgan Chase Bank"/>
Account Number: *	<input type="text" value="123456789"/>	
Account Type:	<input type="text" value="Saving"/>	
Remaining Amount:	<input checked="" type="checkbox"/>	
Amount or Percent:	<input type="text"/>	<input type="text" value="Percent"/>
Payroll Deposit:	<input checked="" type="checkbox"/>	
Accounts Payable Deposit:	<input type="checkbox"/>	

6. Click “Save”
7. If it was successful, a green check mark will appear at the top

 The new allocation has been saved successfully.

8. If not, read the error message and fix as necessary

Change Bank

To change a bank, you will first need to inactivate your original bank and then add a new bank. You will need your bank routing number and account number. This information is usually found along the [bottom of your personal check or deposit slip](#). You can also contact your bank for this information.

1. Login to [Web4U](#) and go to the **Employee** tab
2. Select **"Pay Information"**
3. Select **"Direct Deposit Enrollment"**
4. Select **"Update Direct Deposit Allocation"**
5. Click on the **Bank Name** that you want to **Inactivate**
6. Check the **"Inactivate"** box

Bank Name:	JPMorgan Chase Bank
Bank Routing Number:	325070760
Account Number:	123456789
Inactivate:	<input checked="" type="checkbox"/> 
Account Type:	Saving <input type="text"/>
Remaining Amount:	<input checked="" type="checkbox"/>
Amount or Percent:	<input type="text"/> Percent <input type="text"/>
Payroll Deposit:	<input checked="" type="checkbox"/>
Accounts Payable Deposit:	<input type="checkbox"/>
<input type="button" value="Save"/>	

7. Click "Save"
8. If it was successful, a green check mark will appear at the top

 The new allocation has been saved successfully.

9. If not, read the error message and fix as necessary
10. Follow instructions above to add the new bank information

Change Amount or Percent

1. Login to [Web4U](#) and go to the **Employee** tab
