Dear Liz,

On June 21st 2023, PERC issued an interim certification for our union after Western Educational Student Employees voted to choose WAWU-UAW to be their representative for collective bargaining. As the exclusive bargaining representatives, we hereby demand to bargain. We propose an initial two hour meeting as soon as your team is available to discuss the bargaining process and set additional dates for negotiations.

Please let us know the availability of your team for a first meeting as soon as possible. We look forward to productive negotiations.

Sincerely,

The WAWU-UAW Bargaining Committee
